LOCATION INFORMATION

Based in a completely unspoiled area of the Moroccan coastline, the location for these apartments is approximately 25 minutes from the better known area of Cabo Negro.

Cabo Negro is a peaceful area surrounding a fantastic 18 hole golf course, often frequented by the king's brother, an avid golfer. This links course is one of the best kept golf courses in Morocco. A typical high season green fee would be around £35.

As with many golf courses, the properties around it are built to an impeccable standard with well tended gardens and a sleepy way of life.

THE PROPERTIES

This development, apart from anything else, will be a remarkable feat of construction and engineering, literally turning a whole hillside into a modern, well appointed and top-of-the range community.

The main feature of the development is its beach, secluded from the rest of civilisation, this near private cove will be the highlight of a long summer's day for sun worshippers.

A private marina is also planned for the development, aiming to provide a spectacular addition to an already impressive view as you sit on your terrace watching small yachts sailing out into the Mediterranean.

Three on-site bars and five excellent restaurants will ensure that you are spoiled for choice, even before venturing out to sample the delights of local cuisine.

Ideal for a holiday home or peaceful permanent living, PLAYA VISTA will not disappoint.
